This stunning home on 5+ acres in Western Albemarle is surrounded by nature's beauty and is move in ready! No detail has been ignored in this exquisite home. The stunning chandelier in the two-story foyer and warm hardwoods throughout the first and second levels invite you into the newly renovated kitchen and great room with gas fireplace and built-in surround. Upstairs, the owners suite features a spacious bedroom, a stunning bathroom with dual jetted tub, new marble tiled shower and custom designed walk-in closet, and three additional bedrooms and an oversized laundry room! The recently refinished basement features a large rec room, playroom and a 5th bedroom and full bath for guests. The mountain views are calling - don't miss it!
